

FIELDSTEM - TEACHING SCIENCE CONTENT WITH ELA PERFORMANCE TASKS

February 9, 2019 / 9:00a.m.—3:30p.m.

In part three of our FieldSTEM professional development series designed for K-12, join PEI Faculty, Nancy Skerritt, to learn how to use ELA performance tasks that incorporate science as the content.

Participants will:

- Explore the integration of writing, research, and science topics through the vehicle of a performance task
- Analyze the components of a task including the ELA skills being measured
- Experience a performance task first hand
- Explore a library of tasks that focus on FieldSTEM topics like clean water and healthy forests
- Be provided a “tool kit” for creating their performance tasks using science content

Each participant will receive:

- A link to workshop materials, planning tools, and PEI’s library of performance tasks
- Support for implementing performance tasks in the classroom from PEI FieldSTEM Coordinators

Lunch and snacks will be provided.

Chief Leschi School
5625 52nd Street E
Puyallup, WA 98371
