

# **CALLING ALL BUSINESSES!**

Have you been looking for an opportunity to promote your business and connect with the local education system? Well, look no further!

The West Sound STEM Network is hosting an informational Career Night for students and parents from the Bainbridge Island and North Kitsap School Districts - and we need YOUR help!

We are looking for employers, specifically in the skilled trades, unions, or apprenticeship programs, to participate! Employers will have a table or booth to showcase their business or trade. Bring your promotional materials, informational hand outs, even job applications! Hands on, interactive props are always encouraged!

Are you interested in participating?  
Do you have questions or comments?

Please contact:
